# USED CAR\* BUYER'S KIT

Everything you need  
to know about  
paying the tax and  
getting your  
registration and  
title.

- \* Also applies to motorcycles,  
trucks, vans, buses, motor  
homes, mini-motor homes, etc.  
purchased from an individual or  
other non-dealer.

# If you're buying a used vehicle . . .

Each year, nearly a million used cars, trucks, motorcycles or other motor vehicles are purchased by Illinoisans from their friends and neighbors, or through personal ads in newspapers.

If you're planning to buy a used motor vehicle from a source other than a dealer, you need to know about a 5 percent state Motor Vehicle Use Tax which went into effect October 1, 1985. (Purchases through dealers will continue to be taxed under the state's sales tax.)

The tax is on the amount you paid for the vehicle, whether in cash, goods or services. No deductions are allowed for trade-ins.

Motor Vehicles include —

Cars . . . Trucks . . . Vans . . . Motorcycles . . . Motor-driven cycles . . . Pedacycles . . . Motor Homes . . . Mini Motor Homes . . . Buses . . . etc.

The tax applies to vehicles with model years 10 years or less from the year you apply for the title.

If you  
purchase a  
vehicle in:

The tax will  
apply to models  
back to:

1985 . . . . . 1975

1986 . . . . . 1976

Taxes are to be paid within 30 days of purchase (the date you take possession of the vehicle). Penalty (7.5% of tax) and interest (2% a month or part of a month) are due on late tax payments.

If you're buying a used car or other motor vehicle from a source other than a vehicle dealer, you need to:

- (1) Obtain the title (signed over to you) from the previous owner.
- (2) Apply for new title and registration (license plates and/or sticker) for the vehicle. (Vehicle title and registration forms are available from the Secretary of State.)  
Attach:
  - (a) The certificate of title from the former owner and
  - (b) Check or money order for proper fee for title and registration (payable to Secretary of State). Fee for title is \$3. See fee schedule for proper amount for registration (license plates and/or sticker).
- (3) Fill out and sign Vehicle Use Tax form and attach tax payment (5 percent of purchase price) made payable to Illinois Department of Revenue.
- (4) Double check to make sure:
  - All information you've provided on the forms is correct.
  - All forms are signed (co-owner signatures are required where applicable).
  - All payments are for the proper amounts and are made payable to the proper agency.
- (5) Submit **All** forms and payments to the Secretary of State's office in your area or mail to:

Secretary of State  
Vehicle Services Department  
Springfield, Illinois 62756

# **Exemptions:**

Under the law, you do not have to pay\* the tax if:

## **The Buyer is —**

- A spouse, parent, brother/sister or child of the seller.
- An exempt organization (charity, church, school, foreign consulate or federal, state or local government agency).
- A beneficiary in a will.
- A business which already paid tax when the vehicle was first titled and is now transferring the vehicle in connection with a business reorganization, with no change in beneficial ownership of vehicle.

## **The Vehicle is —**

- To be junked (buyer is getting a junking certificate).
- Rolling stock or other motor vehicle which would be subject to multi-state taxation.
- Implement of husbandry, such as a farm tractor or other off-road farm vehicle which the owner chooses to get titled.

\* The tax form must be filed, even if you are not required to pay the tax.

# Avoid Delays!

Make sure separate payments are enclosed for:

- (1) Title and registration (check or money order payable to Secretary of State, AND
- (2) Motor Vehicle Use Tax (check or money order payable to Illinois Department of Revenue).

NOTE: Title and registration cannot be issued until the Motor Vehicle Use Tax is paid or tax form is filed explaining why the buyer is exempt from the tax.

# Before You Submit Your Application and Tax Form, Did You:

- Fill out and sign both forms (Title/Registration AND for Motor Vehicle Use Tax?)
- Attach checks or money orders payable to the proper agency for the correct amounts? (Title/Registration fees are payable to "Secretary of State". Motor Vehicle Use Tax payments are payable to "Illinois Department of Revenue".)

# VEHICLE USE TAX RETURN

## GENERAL INSTRUCTIONS

You must file this return if you have purchased (or otherwise gained possession of) a motor vehicle from someone other than a licensed vehicle dealer. Motor vehicles include automobiles, trucks, vans, motorcycles, buses, and any other motor vehicle, as defined in Section 1-146 of the Illinois Vehicle Code. This tax applies only to used motor vehicles which are 10 model years or less of age. Some purchasers are exempt from the tax (see E below), although they must file this return to substantiate that exempt status. File this return within 30 days of purchase.

## HOW TO FILL OUT THE FORM *(Please print clearly with black ink.)*

**A Owner Information:** The purchaser of the vehicle is the person whose name will appear on the new title and registration certificate. Fill in:

- (1) Purchaser's name (last name, first name, middle initial)
- (2) Name of co-owner (if there is one) using same format as above, with last name first.
- (3) Purchaser's mailing address, including street address, apartment number or post office box number, your city and ZIP code.
- (4) Purchaser's county and home phone number.

**B Vehicle Information:** Fill in:

- (1) The Vehicle Identification Number. (Please recheck for accuracy.)
- (2) The "odometer reading" of vehicle mileage at the time you purchased the vehicle.
- (3) The make and model of the vehicle (for instance, a Ford/Escort), the model year, and the purchase date. Remember this tax applies only to vehicles aged 10 or fewer model years old.

**C Seller Information:** Fill in:

- (1) Name of the person who sold you the vehicle. Use the "last-name-first" format.
- (2) Address, city, state, ZIP code, and phone number of person selling you the car.

*NOTE: Most of this information should be on the title the seller gave to you.*

**D Tax Computation:**

- (1) Fill in the full selling price of the vehicle. Trade-ins are not deductible. If all or part of the payment was in goods or services, you must include the value of those.
- (2) Multiply the selling price times the 5% tax rate. (For example, if you paid \$4,000 for a car, your tax would be computed thus:  $\$4,000 \times .05 = \$200$  tax amount due.)
- (3) A check or money order for tax, plus any penalty and interest, is to be made out to Illinois Department of Revenue and submitted along with this tax form.

*NOTE: If your tax return is filed more than 30 days after the purchase of the vehicle, penalty and interest are due at a rate of 7.5% penalty and 2% interest for each month or part of a month. For instance, if your tax return and payment of the \$200 example calculated above were 2 months late, then you would owe an additional \$23 in penalty and interest as calculated below:*

*Penalty: \$200 (tax due)  $\times .075$  (penalty) = \$15*

*Interest: \$200 (tax due)  $\times .02$  (interest)  $\times 2$  (no. of months late) = \$8*

*Total due: \$200 tax + \$15 penalty + \$8 interest = \$223*

**E Exemptions:** Your purchase may be exempt from the tax for one of seven reasons, as listed under E on the return. If you are exempt, check the main "tax exempt" box under E, then check the specific box which explains why you are exempt:

**F Signature(s):** If you are the purchaser, you must sign the return. If the purchaser is not an individual (a business, for example), an owner, a partner, or responsible officer must sign. Forgetting to sign your return (even if you owe no tax) may delay your title and license.

## FILING YOUR RETURN

Attach your payment to the original of your return, and send to the Secretary of State's office along with your application and fees for title and license plates. Keep the bottom copy of your return for your records.
